

## ■ Features

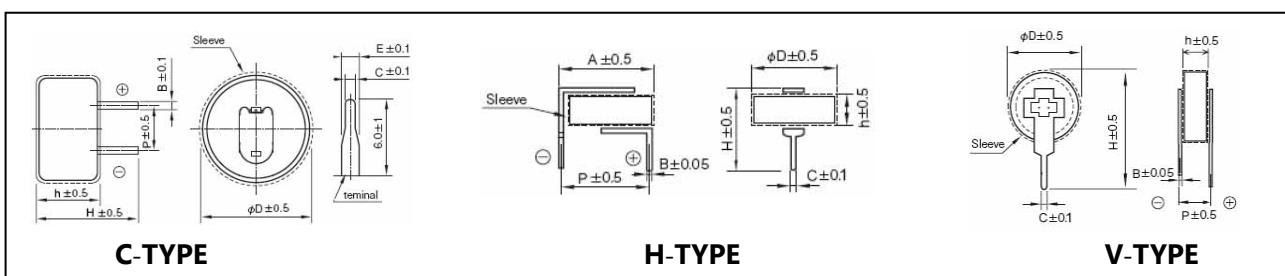

- Standard product
- Quick charge & discharge
- RoHS compliant
- Computer & peripherals
- DSL modems & routers
- Automatic meter reader

| Items                        | Characteristics  |   |                   |                                 |     |                                     |
|------------------------------|--|---|-------------------|---------------------------------|-----|-------------------------------------|
| Rated Voltage                | 5.5V   |   |                   |                                 |     |                                     |
| Operating Temperature Range  | -25 ~ +70°C  |   |                   |                                 |     |                                     |
| Surge Voltage                | 6.0V   |   |                   |                                 |     |                                     |
| Capacitance Range            | 0.047~1.0 F  |   |                   |                                 |     |                                     |
| Capacitance Tolerance (20°C) | -20~-+80%  |   |                   |                                 |     |                                     |
| Temperature Characteristics  | The specifications shall be met at category temperature range from -25°C to 70°C   | <table border="1"> <tr> <td>Capacitance range</td> <td>Within 30% of the value at 20°C</td> </tr> <tr> <td>ESR</td> <td>Less than 400% of the value at 20°C</td> </tr> </table> | Capacitance range | Within 30% of the value at 20°C | ESR | Less than 400% of the value at 20°C |
| Capacitance range            | Within 30% of the value at 20°C  |   |                   |                                 |     |                                     |
| ESR                          | Less than 400% of the value at 20°C  |   |                   |                                 |     |                                     |
| High Temperature Loaded      | The specifications shall be met after rated voltage applied at 70°C for 1000 hours   | <table border="1"> <tr> <td>Capacitance range</td> <td>Within 30% of the initial value</td> </tr> <tr> <td>ESR</td> <td>Less than 400% of the initial value</td> </tr> </table> | Capacitance range | Within 30% of the initial value | ESR | Less than 400% of the initial value |
| Capacitance range            | Within 30% of the initial value  |   |                   |                                 |     |                                     |
| ESR                          | Less than 400% of the initial value  |   |                   |                                 |     |                                     |
| High Temperature Storage     | The specifications shall be met after storage at 70°C for 1000 hours   | <table border="1"> <tr> <td>Capacitance range</td> <td>Within 30% of the initial value</td> </tr> <tr> <td>ESR</td> <td>Less than 400% of the initial value</td> </tr> </table> | Capacitance range | Within 30% of the initial value | ESR | Less than 400% of the initial value |
| Capacitance range            | Within 30% of the initial value  |   |                   |                                 |     |                                     |
| ESR                          | Less than 400% of the initial value  |   |                   |                                 |     |                                     |
| Cycle Life                   | The specifications shall be met after 500,000 cycles at 25 °C , cycle of charge/discharge from V <sub>R</sub> to 1/2V <sub>R</sub> | <table border="1"> <tr> <td>Capacitance range</td> <td>Within 30% of the initial value</td> </tr> <tr> <td>ESR</td> <td>Less than 400% of the initial value</td> </tr> </table> | Capacitance range | Within 30% of the initial value | ESR | Less than 400% of the initial value |
| Capacitance range            | Within 30% of the initial value  |   |                   |                                 |     |                                     |
| ESR                          | Less than 400% of the initial value  |   |                   |                                 |     |                                     |
